

These are the Evil Dayz

The Corona Virus Restrictions

The Corona Virus restrictions have Eclipsed this old post of mine (see old image at the end of this post) so I just got done updating it. The Prophecy itself comes from Ecclesiastes 12 which you can read in the Appendix

As with the American Pie Prophecy last winter, this Prophecy fell into place within minutes when I realized the Restrictions were fulfilling the Prophecy.

The difference, however, is that last year at this time they might have been able to turn things around but now it is much too late to turn back now.

The Golden Bowl

This is the corker and this is referring to the price of a Barrel of Crude Oil.

To summarize - when you are the Global Currency, as the Petro Dollar is, you can print as much money as you want - and we have - as long as you keep the Interest Rate near Zero. But if the

Price of Crude Oil drops, Inflation starts (Silver Cord) and the Financial Chickens come home to roost.

The Silver Cord

You can only raise the Price of a Barrel of Oil under these conditions so far (like getting a ship stuck in the Suez Canal twice) and then the System starts breaking down at the Pump so, then, the only option is to raise the Interest Rates but this will lead to hyperinflation but I guarantee you the Banksters will do this before they lose any of the money that they have been stealing from America since the last depression (like not going to a negative Interest Rate which would solve every body's problem but they don't like that version of the redistribution of wealth).

Pitcher broken at the Fount

So, the Fed just announced a couple days ago that they have no option left but to start raising rates sometime next year which is absolutely the Mother of all Bellwethers that it sounds to be because the last time they started raising interest rates the Markets started tanking immediately and that was before restrictions began about two years ago.

The Almond Tree fails

Now I will comment on the rest of the points from the Prophecy but before I do I should mention that the proof that this is a prophecy and not a discourse on old age is the gross mistranslation of the word 'flourish' which should be translated as 'fail' as a tree casting its fruit. It only took me about 30 seconds to equate that Tree with White Blossoms with another Tree with fake White Snow all over it, Huh? You weren't really planning on a Merry White Christmas, were ya?

Sun, Moon and Stars darkened

The luminaries darkened are the people in the military - male & female, Officer & Enlisted - being discharged for refusing the vax which will weaken our military which now becomes a matter of National Security but the Politicians refuse to stop this assault on our country which, to me, borders on treason.

The Storm Clouds return

This is the return of the Cold War which has reached the point of the Cuban Missile Crisis over the Show Down in the Ukraine - this is not a joke.

The Keepers of the House tremble

Is probably referring to the meltdown occurring, not only with the Democrats here concerning upcoming elections, but democracy which, all across the world, is breathing its last which I predicted about a decade ago.

Strong Men bowed

Politicians, most notably the Democrats, throwing in the towel and getting out of Politics - the rats are fleeing the ship - same as CEO's reportedly unloading their stocks, like Musk just did. Oops!

The Grinders cease because they are few

All those people who are refusing to go back to work causing shortages all across the board including, most notably, truckers.

Watchers at the Windows darkened

Unvaxed - most noticeably Evangelicals.

Doors shut to the Streets

Lockdowns, quarantine etc.

Sound of Grinding is low

Break found of the supply chain including truckers and ships stuck in ports.

Startled at the sound of a Bird

A little bird from Africa told everybody about the Omicron Strain and everybody collectively said, here we go again. As one man - note the singularity in the verse.

The Daughters of Music brought low

Church bankruptcies.

Afraid of that which is on high

Hypersonic missiles which have completely changed the old Nuclear Balance of Power. These are all interconnected with what's going on in the Ukraine with its Natural Gas which the US wants and doesn't want Russia to have cause its a further threat to the dying Petro Dollar. What? You didn't really think it was about democracy, did you?

Fears in the Way

Riots, Smash & Grab, Car Jackings, Assaults on the Rich, Police targeted, etc. That's just a taste of what the Chinese call Interesting Times. Still want to live in them?

Grasshopper shall be a Burden

Illegal Immigrant Tsunami which is another threat to National Security so why aren't the Politicians responsible in jail?

Desire shall fail

For the Holidays cause of restrictions and deaths.

Man goes to his Long Home

People who have died from Covid.

Mourners in the Streets

From the deaths but also probably a veiled reference to the Homeless explosion.

Handwheel broken at the well

Price at the Pump.

You might say the Wolves are at the Doors...

Appendix

Ecclesiastes 12

Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them.

While the sun, or the light, or the moon, or the stars, be not darkened, nor the clouds return after the rain.

In the day when the keepers of the house shall tremble, and the strong men shall bow themselves, and the grinders cease because they are few, and those that look out of the windows be darkened,

And the doors shall be shut in the streets, when the sound of the grinding is low, and he shall rise up at the voice of the bird, and all the daughters of musick shall be brought low;

Also when they shall be afraid of that which is high, and fears shall be in the way, and the almond tree shall flourish, and the grasshopper shall be a burden, and desire shall fail: because man goeth to his long home, and the mourners go about the streets.

Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern.

Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.
